No. 2508/213 Dated Bangalore 16th February 1895

Enc.

FROM

THE INSPECTOR GENERAL OF POLICE
IN MYSORE.

To

THE CHIEF SECRETARY TO THE
GOVERNMENT OF MYSORE.

SIR,

I have the honor to state that 4 Sub-Inspectors of the Coorg Police and two other students of the Police School were not able to receive instruction in ambulance, as they joined the School after the lectures in that subject had been delivered. The Senior Surgeon who was recently requested by me to arrange for these students being put through a course in that subject, states that Mr. Monha is on the sick list and suggests that some one of the Police officials previously taught by Mr. Monha may be ordered to instruct the students. I am afraid that none of the passed men who have received only an elementary course of instruction will be quite competent to teach "First-aid to wounded" and other subjects connected with ambulance and I accordingly beg that some other officer of the Medical Department may be chosen to undertake

the

the instruction in Ambulance.

The Coorg Sub-Inspectors were sent to the Police School by the Resident and it is necessary that they should go through a complete Course of Ambulance before they are sent back to their Provinces.

I have the honor to be
Sir,
Your most Obedient Servant,

M Madhava Rao

Inspector General,
of Police
